

Fight San Diego City Hall, Stop Illegal Immigration !!

Take Action with the
Support Arizona/Boycott San Diego Coalition (SABSDC)

The San Diego City Council Lied !

- It said Arizona's SB 1070 "encourages racial profiling" when that law forbids it.
- It said SB 1070 "seriously undermines the U.S. Constitution."
- It claimed it spoke "for and on behalf of the citizens of San Diego" as it supported weaker enforcement of immigration laws.

THE SAN DIEGO CHAMBER OF COMMERCE, CONVENTION & VISITORS BUREAU, AND NEARLY 1000 INDIVIDUAL BUSINESSES were given a week's "preliminary notice" of the impending boycott and asked to oppose city hall. They chose to side with city hall.

THE SAN DIEGO MEDIA COMMUNITY also made the choice to side with city hall, "burying" a press release put out by the SABSD Coalition on May 26.

So the Nationwide Boycott of San Diego went into effect on May 29, 2010.

TO HELP BRING CITY HALL TO ITS SENSES,
follow suggestions on the other side.

*NOTE to overheated Arizonans and others: If you want the ocean and a San Diego climate, try the cleaner, less crowded beaches of towns in northern San Diego County -- Del Mar, Solana Beach, Encinitas, Cardiff, Carlsbad, Oceanside. They're closer to the **Wild Animal Park** and **LEGOLAND**, too!*

Boycott of San Diego: Preliminary Notice to the Business Community

Date: May 23, 2010
To: San Diego Merchants and Businesses
From: The *Support Arizona Boycott San Diego Coalition (SABSDC)*
(<http://sandiegobrigade.webs.com/sabsdcoalition.htm>)

A national coalition of organizations will be **launching a boycott of San Diego on Saturday, May 29**. For details, see website and next page.

The only way to stop this will be for the San Diego Mayor and City Council to apologize to the people of San Diego, whom they have misrepresented, and to the people of Arizona, whom they have insulted, for the Council's resolution condemning Arizona's new immigration law. **That apology must be publicly announced to the people of San Diego and Arizona and the resolution in question fully rescinded prior to COB on May 28.**

If the potential effects of this boycott concern you, you should immediately transmit your opinion on the matter to the Mayor, City Council, Chamber of Commerce, and Convention & Visitors Bureau immediately. You can use: jerrysanders@sanidiego.gov, cityclerk@sanidiego.gov, webinfo@sdchamber.org, sdinfo@sanidiego.org.

If the apology and rescission do not take place **prior to COB on May 28**, the boycott will remain **in effect at least until September 1, 2010**, regardless of any actions by City Council after May 28. There are penalties for slow-mindedness as well as for bad judgment and dishonesty.

It is indeed unfortunate that those penalties would be borne by yourselves and not solely by miscreants in the Mayor's office and City Council. **But obviously, immediate, strong action by the San Diego business community can forestall those penalties.**

The websites of NumbersUSA (<http://www.numbersusa.com/content/>) and Californians for Population Stabilization (<http://www.capsweb.org/index.php>) are excellent sources of information on the new Arizona law.

The SABSD Coalition asks:
Will You Help Fight Illegal Immigration? If so, then

Support Arizona, Boycott San Diego

and every other city -- Los Angeles, San Francisco, Berkeley, Austin, etc. -- whose city councils have condemned Arizona's new law (SB 1070/HB 2162) which only facilitates enforcement of existing U.S. immigration laws.

This boycott will remain in operation and be continually re-advertised nationally until the **San Diego City Council** rescinds its resolution which states, in part: *WHEREAS, SB 1070 permits the arrest of a person, without a warrant, if there is probable cause to believe that the person has committed a public offense.... BE IT RESOLVED, by the Mayor and Council of the City of San Diego, for and on behalf of the people of San Diego, that this Council urges the State of Arizona to repeal SB 1070, the "Support Our Law Enforcement and Safe Neighborhoods Act," and directs the City Clerk to send a copy of this resolution to Arizona Governor Jan Brewer.*

The world should know that a large majority of "the people of San Diego", like a large majority of all Americans, **SUPPORT** Arizona's new law and do **NOT** support this ill-informed resolution.

San Diego is a major vacation destination for citizens of many states, and especially those of Arizona. Also many organizations hold state or national conventions there. But unless the San Diego City Council's resolution is rescinded prior to May 29, 2010,

Please Stay Away from San Diego, Y'All !

- **For a nice vacation -- or even a day trip -- go to beautiful Arizona!** If you are from Arizona, go to some pretty spot in your state that you've never visited before.
- **If you are from the San Diego region, patronize only restaurants, grocery stores, shopping centers, sports events and entertainment venues outside San Diego city limits. They're just a few more miles away! Get to know San Diego County better! Most cities in San Diego County have smarter folks on their city councils than does San Diego. Coastal cities from Del Mar and Solana Beach north and hill country cities from La Mesa east will welcome your visit.**
- Wherever you go, before you make reservations at a hotel or motel make sure they use the **E-verify system** to guarantee all their employees are legal residents. **NumbersUSA** gives you an easy way to do this. See: <http://www.numbersusa.com/content/enforcement/workplace-verification.html>
- Let **San Diego Mayor Jerry Sanders** (jerrysanders@saniego.gov) and the **San Diego City Council** (cityclerk@saniego.gov) know your opinion of their dishonest, anti-American, pro-illegal alien, shameless misrepresentation of the citizens of San Diego on this issue. Tell them how many dollars you will *not* be spending in San Diego this year. Copy your message to the **San Diego Chamber of Commerce** (webinfo@sdchamber.org) and **San Diego Convention & Visitors Bureau** (sdinfo@saniego.org).

WARNING: If other entities, for example, professional sports organizations or player unions, decide, acting out of ignorance, political correctness, or hostility to the U.S., to formally boycott or attack Arizona in any way, we will immediately call for a nationwide boycott of their games and other events. We know a majority of American people would stand with us in such an expanded boycott. **Watching games on TV while our beautiful/handsome significant other strokes our brow and keeps the guacamole, chips and beer coming is a sacrifice 97.8% of sports fans are willing to make, according to latest scientific polls.**

The Support Arizona Boycott San Diego (SABSD) Coalition consists of organizations throughout the U.S. dedicated to the halting of illegal immigration.
