

Larry, I do not know Mr. Graves. I do not know what is your working relationship with him. Surely producing a publication is no easy task. But it is clear to me that he is taking advantage of the Diocese of Orange in order to push an extremely reactionary ideology that fails to be truly Catholic. And he is doing this at great financial expense to the Diocese. I object to his using our publication to constantly affront us with his narrow views.

Does the **Bulletin** have a Mission Statement? If there is, would you please make a copy of it available to me? Mr. Graves appears to regard it as being an instrument for the Christian Right.

I am obliged to provide for the spiritual well-being of the people of St. Boniface Parish. Please let Mr. Graves know that in the future I will distribute it only if I judge it to be of profit for the people to receive it.

Larry, rather than continuing to stew over this I have decided to share my thoughts and feeling with you with the hope that you have the authority to take decisive action. My good wishes to you.

Sincerely,

Rev Msgr. Wilbur Davis  
Pastor
